**Re: dPi Teleconnect, LLC's Application to Amend its ETC Designation
Docket No. 2008-31-C**

Dear Jocelyn:

We respectfully request that dPi Teleconnect, LLC be allowed to withdraw its application to amend its ETC designation to include wireless service. The Company has decided not to move forward with its plans to include Lifeline and Link-up wireless service offerings in South Carolina at this time and requests to be allowed to withdraw its application without prejudice. The Office of Regulatory Staff has indicated that it does not object to withdrawal of the request to amend the ETC designation.

Should you have any questions, please contact me.

Very truly yours,

ROBINSON, MCFADDEN & MOORE, P.C.

Bonnie D. Shealy
